

CLEARY UNIVERSITY

ACADEMICS AND MAJORS

It's time. Time for a new model of business education. One that is focused on the student and not on itself. Focused on increasing intuition, critical thinking and leadership skills. At Cleary University, we've created that model!

Cleary University is a specialized business university, providing practical, project-based education enabling an immediate alumni contribution to employers, families, and communities. Our methodology is based on case studies, project-based learning, and other teaching methods that promote real world decision making and ethical leadership development. Our graduates manage, lead and make lasting impacts on the communities in which they work, live and serve.

We understand organizations in today's global economy need leaders—people who can effectively manage organizations and the people in them, as well as develop and implement strategies that will lead to success in a competitive marketplace. Cleary has developed an innovative list of degree offerings designed to equip you with the skills needed to lead and manage in the 21st century:
