

# Innovation & Ideation Business Camp

## High School - Day Camp

**June 19-23 from 8:30am-3pm**

**Howell Campus • Lunch Provided**

The students will use curiosity and a bias toward action to build personal creative confidence, while innovating business ideas. Students will collaborate with one another to identify and reframe problems, in order to create unique, and potentially profitable solutions. They will use technology to create prototypes, devise marketing plans, and explore ways to finance their product of service.
