

# THE CLEARY BUSINESS ARTS™ CURRICULUM PROJECT MANAGEMENT

Your skills as a project manager are highly marketable, and with a degree in Project Management from Cleary, graduates will have a clear advantage over other job candidates because you will gain real-world experience.

The use of strong and ethical project management skills and practices helps businesses compete successfully in a highly competitive market. Cleary graduates possess the qualities, knowledge, expertise and leadership skills needed to complete projects with effective management, within budget, on time and with 100 percent satisfaction. The true strength of an exceptional project manager is the ability to make teams work at their best, and this is achievable, thanks to the attributes learned through The Cleary Mind™. In addition, each course at Cleary builds on a foundation that has been cultivated through real world experiences brought by faculty with real world experience in project management.

## Earn a Google Project Management Professional Certificate with this degree.

Students successfully completing Project Management concentration will receive Google's Project Management Professional Certificate along with their Cleary degree. Cleary faculty is one of the only universities in the country building these programs in partnership with experts at Google, ensuring that the content is current and relevant to today's employers. This program is eligible for financial aid and no additional coursework or cost is required.

## Career opportunities available in Project Management

Virtually all industries offer positions in project management. From manufacturing to marketing, communications to construction, education to health care, and finance to pharmaceuticals, project managers are an integral part of every business sector because of the increasing demand for individuals who can manage and lead people and projects efficiently, productively and profitably. The Project Management Institute finds that this field will outperform total US job growth over the next decade, creating millions of new positions. Set yourself up for long-term success with a degree in Project Management from Cleary.

## The Cleary Mind™ gives Cleary graduates a competitive advantage

The Cleary Mind™ is the core of who we are and what distinguishes us from other universities. As students begin their academic career here – online or on campus – they begin learning the attributes of The Cleary Mind™, and by the time they graduate, The Cleary Mind™ has become their way of thinking, leading and living. That's why employers want to hire Cleary graduates. They not only have the workplace competencies to master their new job, but they also are ready to serve as creative and critical thinkers, problem solvers, effective and persuasive communicators, and ethical leaders, mentors and entrepreneurs. They exceed the expectations of employers!
