

DO YOU HAVE COVID-19?

Follow these guidelines when you are sick or when you have been infected with the virus, even if you don't have symptoms.

REGARDLESS OF VACCINATION STATUS

Day 0

First Day of Symptoms / Test Collection

Day 1

Day 5

Stay home for 5 days.
Wear a well fitting mask
around others.

Day 6

Day 10

You may leave your
house on days 6-10 if
you have no symptoms.*

Continue to wear a well
fitting mask around
others and take
precautions.**

WHAT IF YOUR TEST IS POSITIVE?

If you test positive, you must notify
Cleary's Health and Safety Team by
emailing Heather Bateman,
SVP of Operations at:

hbateman@cleary.edu
or call

800-686-1183 Ext: 1701

*Symptoms improved means that a person no longer feels ill, They can keep up and do their daily routine just as they did before they were ill, and any remaining symptoms are very mild, intermittent, or infrequent and do not interfere with daily living!

** Precautions include avoiding travel and avoiding being around people who are at high risk!
