COUGAR COUNTRY PROMISE

Cougar Country Promise (CCP) ensures affordable tuition with four award levels. Students who qualify for the Michigan Achievement Scholarship with a negative or zero Student Aid Index (SAI) get free tuition. If the SAI is Pell-eligible, they pay a max of \$5,000/year. Non-Pell-eligible qualifiers with an SAI up to 25000 pay a max of \$7,500/year, and those with an SAI of 25001-30000 pay a max of \$10,000/year. This program simplifies college expenses for Cleary students based on FAFSA and scholarship eligibility.

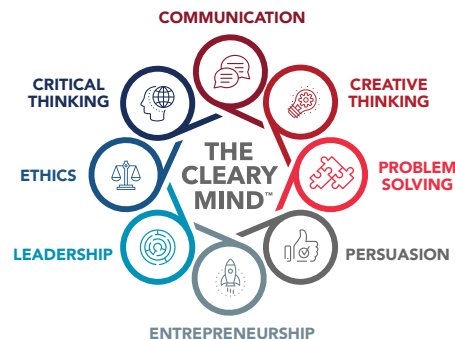

Financial aid advisors will walk you through the steps to determine if you are eligible for a reduced tuition rate.
