Clangy's Cafe is not a gluten-free environment, items indicated "GF" have gluten free ingredients. Clangy's makes every effort to thoroughly train our staff. However, ingredients and nutritional content may change due to recipe substitutions, manufacturing changes or other outlying factors. If you have allergies or specific ingredient concerns or require information on a menu item not listed, please consult our chefs or dining hall managers. Our chefs and dining managers are visible during service to answer your questions or address your needs.
