

THE CLEARY BUSINESS ARTS™ CURRICULUM SUPPLY CHAIN MANAGEMENT

Supply Chain Management has become an indispensable component of all businesses today. With the continuing globalization of industry, now more than ever, a degree in Supply Chain Management is invaluable. At Cleary, students will learn all facets of Supply Chain Management – from its use in a multicultural business environment to future growth opportunities worldwide. Coursework includes an overview of issues that surround global supply chain, how these issues affect businesses and how to apply supply chain theory in today's market using the Six Sigma techniques. Students also will gain a comprehensive understanding of supply chain challenges and opportunities. Graduates will become strong strategic partners in businesses, helping to improve an organization's standing in the crowded global marketplace.

Career opportunities available in Supply Chain Management

Supply chain graduates are in high demand, and you can make an impressive salary. Many career options are open to you: vice president of supply chain management, supply chain manager, purchasing manager, logistics manager, production manager, operations manager, data analyst, distribution manager, commodity manager

The Cleary Mind™ gives Cleary graduates a competitive advantage

Cleary University instills in our students the following:

Critical Thinking

Leadership

Ethics

Creative Thinking

Persuasion

Problem Solving

Entrepreneurship

Communication

The Cleary Mind™ is the core of who we are and what distinguishes us from other universities. As students begin their academic career here – online or on campus – they begin learning the attributes of The Cleary Mind™, and by the time they graduate, The Cleary Mind™ has become their way of thinking, leading and living. That's why employers want to hire Cleary graduates. They not only have the workplace competencies to master their new job, but they also are ready to serve as creative and critical thinkers, problem solvers, effective and persuasive communicators, and ethical leaders, mentors and entrepreneurs. They exceed the expectations of employers!
