

BACHELOR OF SCIENCE IN NURSING

RN TO BSN PROGRAM

Advance your degree without putting
your career or life on hold.

Designed specifically for working registered nurses, our RN to BSN program builds on the clinical experience you already have with a flexible, evidence-based curriculum that fits your schedule and doesn't require traditional clinical placements. With small class sizes, dedicated faculty who teach every course, and personalized support from enrollment through graduation, you'll receive an education that's relevant, practical, and focused on your success.

8 COURSES

A focused, no-filler curriculum. Each course adds skills you can use.

100% ONLINE

Course work you complete from anywhere, around your shifts.

3 SEMESTERS

Finish in as little as one year without putting your life on pause.

NO SCHEDULED CLINICAL HOURS

Flexible completion of practice experience hours.

THE CLEARY MIND™

Eight Competencies that set our students apart:

COMMUNICATION
