

CLEARY UNIVERSITY

MASTER OF BUSINESS ADMINISTRATION

WOMEN'S LEADERSHIP

Advance your degree without putting your career or life on hold.

The Women's Leadership concentration prepares leaders to navigate change, inspire others, and create meaningful impact in today's diverse and evolving workplace. Through mentoring, coaching, and service learning, you'll gain hands-on opportunities to strengthen your leadership presence, communication, negotiation, and decision-making skills. The program emphasizes inclusive leadership, adaptability, and the ability to guide organizations and teams through complex challenges. With support from experienced mentors, you'll build the confidence and strategic perspective needed to lead at the highest levels. Career opportunities include chief executive officer, chief administrative officer, chief information officer, director, and executive director across business, government, education, finance, automotive, and healthcare.
